

# Western Canada's Sub-Trades, Suppliers and Service Professional Industry Leaders Report

**Nominations are open  
for the Top 10 Sub-Trades,  
Suppliers and Service  
Professional Leaders of  
Western Canada!**

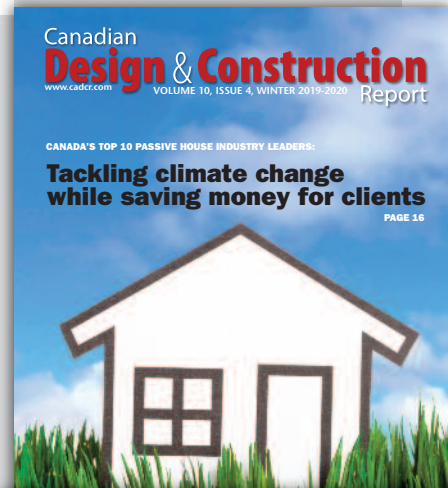

Canadian  
**Design & Construction**  
Report

Western Canada's Top 10 Sub-Trades, Suppliers and Service Professional Leaders will be featured in the next issue of the Canadian Design & Construction Report. Articles can celebrate your nominee and the other Top 10 showcasing the projects they were involved with, the products they represent, the equipment they use the services their company provides.

The Canadian Design & Construction Report reaches thousands of readers across Western Canada with print, enhanced digital edition, websites and weekly e-newsletters. Readers include key industry decision makers such as developers, architects, contractors and government officials.

As a sponsor of this issue with a 1/4 page ad we will dedicate a full page to your nominee that they can review and approve before publication. The larger the sponsorship, the more room for photos and interviews.
